Story: The Two Builders https://www.youtube.com/watch?v=CXWHLB1f6_U

Chat In this final I AM statement, Jesus talks about himself being the vine and us as the branches. He tells us to remain in Him.

- 1) How many times does the word remain turn up in this bible passage? What do you think it means?
- 2) How is the story of the two builders helpful to us in thinking about being ‘part of the vine’?
- 3) What could you do to become more ‘rooted’ in God? Maybe now’s the time to pick something up like reading the bible, or a devotional book or praying more. Choose something to do and tell someone what that is.
- 4) Being branches on the vine means being part of God’s family. Is there anyone in God’s family that is struggling at the moment? Chat to God about them and catch anything he wants to say back.

Creative Prayer: Each week we’ve been looking at who Jesus is and have built sine fantastic word art to show what we’ve been learning. Take a look at the heart (on the kids-online webpage) and quietly chat to God about which words are really important to you right now. Thank God for Jesus, that He is all these things. Then maybe you might want to make your own word art about who Jesus is to you.
